

Press Release

Vedanta's Talwandi Sabo Power Ltd Extends Flood Relief Support in Punjab with Food Kits for Affected Families

Mansa, Punjab – 09/09/2025 – *Talwandi Sabo Power Limited (TSPL)*, Punjab's largest and North India's largest private thermal power plant, has stepped forward in this time of crisis to support flood-affected communities in Mansa and adjoining regions. As part of its relief initiative, TSPL contributed over **160 curated food ration kits** for distribution in flood-hit areas of **Mansa, Budhlada, and Sardulgarh**.

The relief vehicle was flagged off by **Ms. Navjot Kaur, District Commissioner of Mansa**, along with **Mr. Kala Ram Kansal, Sub-Divisional Magistrate, Ms. Retinder Kaul, District Programme Officer & Additional In-charge, Red Cross Society**, and **Mr. Gagandeep Singh, Sub Divisional Magistrate Budhlada & Additional Charge RTO**. Representing TSPL at the occasion were **Ms. Abhilasha Malviya, CHRO, Mr. Vinay Kumar, Chief Security Officer, Vedanta Power**, and **Ms. Yeshmeen Mittal, Lead-CSR at TSPL**.

Each food kit contains **wheat flour, rice, oil, pulses, salt, turmeric, and essential spices** to provide immediate sustenance to families whose homes and livelihoods have been impacted by the floods.

During the flag off, **Ms. Navjot Kaur, District Commissioner of Mansa**, commented, "*Punjab is witnessing one of its worst floods in five decades, and timely support is crucial. The contribution of food ration kits by Vedanta Power's TSPL is a meaningful gesture that will provide immediate relief to affected families. Alongside the ongoing efforts of the Punjab government and local panchayats, such initiatives strengthen our ability to safeguard and support the community in this crisis.*"

Mr. Pankaj Sharma, CEO, TSPL, added, "*As a plant deeply rooted in Punjab, it pains us to see the scale of devastation caused by the floods. At TSPL, we consider it our duty to stand with the administration and the community during this difficult time. From distributing food kits to families in flood-hit villages to deploying nearly 150 tipper trucks of pond-ash to reinforce the Ghaggar river embankment in Sardulgarh, our efforts are directed at helping the region and its people recover and rebuild.*"

TSPL, owned by Vedanta, is a 1,980 MW supercritical power plant located near Banawala village in Mansa district. With a strong track record of community engagement, TSPL positively impacted over 60,000 lives in FY2024–25 through its CSR initiatives in education, women's empowerment, sustainable agriculture, and public health access for both communities and livestock.

About Vedanta Power:

Vedanta Group is one of the largest private sector power producers with 12,000 MW of thermal power capacity and its power business is committed to playing a pivotal role in generating and meeting the nation's energy requirement. Vedanta Power has plants in Mansa, Punjab (Talwandi Sabo Power Limited), Singhitari, Chhattisgarh (Vedanta Ltd. Chhattisgarh Thermal

Power Plant) & Tirupati, Andhra Pradesh (Meenakshi Energy Limited), set to reach an installed capacity of 4,780 MW, serving various discoms, utilities and industries, across the nation.

Talwandi Sabo Power Limited (TSPL) is a highly advanced, supercritical 1980 MW world-class thermal power plant in Banawala, Mansa district, Punjab which supplies 100% of the electricity it generates to Punjab State Power Corporation Ltd and powers 30% electricity needs of Punjab state. TSPL deploys globally benchmarked environment and safety practices making it Punjab's greenest thermal power plant, and among the foremost zero-harm, zero-waste, zero-discharge thermal power producers in the country. The plant has been instrumental in the socio-economic development of the region since inception.
