Vedanta Power Limited

Jharsuguda Thermal Plant (600 MW)

Odisha

Invites Expression of Interest (EOI)

for

**Off-taking of dry fly ash for Micro and Small
Enterprises and local users from its thermal power
plant located at Jharsuguda, Odisha**

EOI No.: VPL/ASH/Disp/2026/01

Date:30.07.2026

INVITATION FOR EXPRESSION (EOI)

1.0 Introduction

- 1.0.1 Vedanta Power Limited, (here in after referred as “VPL”) a subsidiary of Vedanta Resources PLC, is one of India's leading private power producers delivering reliable power for a growing economy, that lights homes, touches lives, and drives transformation across the nation. With a total installed thermal power capacity of 4,780 MW, the company supplies power to Discoms nationwide through long-term partnerships, while supporting emerging grid requirements. Its portfolio includes a 1,980 MW plant in Mansa, Punjab; a 1,000 MW facility in Nellore, Andhra Pradesh; 1200 MW in Sakti, Chhattisgarh; and a 600 MW unit in Jharsuguda, Odisha. Through operational excellence, technological leadership, and strategic capacity expansion, Vedanta Power Limited is reinforcing grid stability as a cornerstone of India’s energy security.
- 1.0.2 The company operates thermal power plants having total installed capacity of 4780 MW located at Punjab, Andhra Pradesh, Chhattisgarh and Odisha.
- 1.0.3 To adhere to MOP guidelines, 2026 for fly ash utilization, VPL invites Expression of Interest (EOI) from prospective Micro and small buyers having valid CTO issued by CPSB/SPCB for manufacturing of Ash based products or with a valid MSE registration and local users situated within 100 km radius of the plant for purchase of fly ash through an EoI Process from its 600 MW coal based thermal power plant located at Jharsuguda, Odisha.

1.1 Basic information:

- 1.1.1 Plant capacity: 1X600 MW (Unit 2 IPP)
- 1.1.2 Total Estimated Fly Ash disposal for FY 2026-27, FY 2027-28 & FY 2028-29: **0.85 million MT.**
- 1.1.3 The plant is situated at about 3 Kms from Jharsuguda Town

INVITATION FOR EXPRESSION (EOI)

Location:

Vedanta Power Limited Jharsuguda Thermal Plant (600 MW IPP)

Bhurkhamunda, District-Jharsuguda, Odisha-768202, India.

Longitude - 84° 2' 21" East

Nearest Railway Station: Brundamal (Code: BXQ).12 Km from Generating Station

INVITATION FOR EXPRESSION (EOI)

2.0 Expression of Interest:

VPL specifically invites “**Expression of Interest (EOI)**” from interested micro and small enterprises (herein after referred as “MSE”) buyers having valid CTO issued by SPCB/CPCB or MSE registration with appropriate authority and local users situated within 100 km radius of the plant for manufacturing of ash-based products from fly ash. Qualified MSE buyers/local users shall be allowed for “**Off taking of dry fly ash from dry ash silo**” at VPL’s 600 MW Thermal Power Plant in Jharsuguda for the manufacturing of ash-based products in environment friendly manner as per the prevailing guidelines of MoEF & CC and SPCB.

3.0 Purpose of this EOI:

Through this EOI, VPL intends to reserve and provide 20% of total estimated dry fly ash to be generated from capacity equivalent to 600 MW generation from its coal based thermal power plant in FY 2026-27 at a concessional price which shall be allocated through an (EOI) process to the interested and eligible MSE buyers/local users for utilization and consumptions in manufacturing of ash based products in an environment friendly manner as per guidelines of MoEF & CC and SPCB.

*Interested MSE buyers/local users may quote their bids for the reserved quantity up to FY 2028-29.

The Interested MSE buyers/local users shall be shortlisted for after scrutiny of their credentials provided by this “**Expression of Interest**”. All the shortlisted MSE buyers/local users shall be intimated for deposit of EMD amount along with requisite details.

4.0 Role of the Interested Buyers & VPL

4.1 To promote utilization of fly ash as resource material; and to encourage MSE entrepreneurship the fly ash utilization of VPL Jharsuguda Thermal Plant in Odisha; VPL invites potential MSE buyers located within the vicinity of 300 KM of the plant and local users with 100 km radius of the plant for off taking of ash in manufacturing of Ash based products in environment friendly manner as per guidelines of MoEF & CC and SPCB.

4.2 Eligible MSE buyers/local users shall submit their offers for lifting dry fly ash from dry ash silos of 600 MW IPP. The offers should include the particulars of company with the background of operation, business where ash will be utilized, tentative plan, proposed quantity of ash to be utilized etc.

INVITATION FOR EXPRESSION (EOI)

- 4.3 Interested MSE buyers/local users shall sign a yearly agreement with VPL for utilization and consumption of ash in manufacturing of Ash based products in environmentally friendly manner as per the guidelines of MOEF &CC, and SPCB.
- 4.4 Interested MSE buyers/local users will bear the cost of transportation of dry fly ash in an environmentally friendly manner for utilization / consumption as per their requirement at their risk and cost.
- 4.5 All the costs for transportation and utilization, necessary regulatory permissions, taxes, duties etc. as applicable will be in the scope of the prospective MSE buyer/local users.
- 4.6 Loading of dry fly ash will be made available by VPL as per the quantity mentioned in agreement from the dry fly ash silos of 600 MW IPP located inside plant of VPL at Bhurkamunda, Jharsuguda, Odisha.
- 4.7 Mode of packing, loading, transportation, and utilization must be clearly mentioned by the interested MSE buyer/local user and same will be in the scope of MSE buyer/local user.
- 4.8 Interested MSE buyers / local user may clearly indicate the inputs required from VPL.
- 4.9 All the works of ash packing, loading, and transportation must be executed confirming to the EHS rules and regulations of VPL.
- 5.0 **Required Information:**
- 5.1 Prospective MSE buyers are required to submit the copy of valid CTO issued by CPSB/SPCB for manufacturing of Ash based products or copy of valid MSE registration for manufacturing of ash-based products and local users to provide self-declaration, confirming that ash will be utilized for eco-friendly purposes.
- 5.2 The prospective buyers are required to submit particulars of the firm with the background of operation, business where ash will be utilized, tentative plan, and proposed quantity of fly ash to be utilized etc.
- 5.3 The buyer submitting the EOI shall be bearing all costs associated with the preparation and submission of the EOI and VPL will, in no case be responsible or liable for these costs, regardless of the conduct or outcome of the assessment/evaluation process.
- 5.4 Eligible buyers shall deposit Pre-bid Earnest Money Deposit (EMD) after intimation from VPL.
- 5.5 MSE buyers/local users who already associated with VPL are required to furnish the vendor code details issued by VPL along with EOI.

INVITATION FOR EXPRESSION (EOI)

6.0 Submission of EOIs:

Interested MSE buyers /local users are required to submit all the documents as per the attached format complete in all aspects in soft form under the below mentioned mail id on or before 06.08.2026.

Mail Id: VedantaPower.Commercial@vedanta.co.in
