**Meenakshi Energy
Limited**
District: 1, Villages: 10

CSR VISION

Empowering communities, transforming lives and building the nation through sustainable, inclusive growth.

Our CSR Approach

01

POWERING PROGRESS

Reliable, efficient, responsible power generation for India's growing energy needs.

02

EMPOWERING COMMUNITIES

Opportunity through education, healthcare, livelihoods, women's empowerment and community development.

03

RESPONSIBLE GROWTH

Safety, environmental stewardship, resource efficiency and governance for a resilient business.

About the theme:

Powering progress reflects our role in enabling growth through dependable energy. Empowering communities reflects our commitment to improving lives around our operations. Responsible growth reflects our focus on sustainability and long-term value. Energy powers more than businesses - it powers aspirations, communities and a better future.

This year's report captures our journey towards reliable energy, responsible growth and meaningful community impact, bringing together operational progress, sustainability initiatives and our commitment to creating long-term value for stakeholders.

CSR Governance Framework

PURPOSE & SCOPE

Vedanta Power follows the common CSR governance framework adopted across Vedanta Group entities, which provides a consistent approach to compliance, transparency, and measurable community impact.

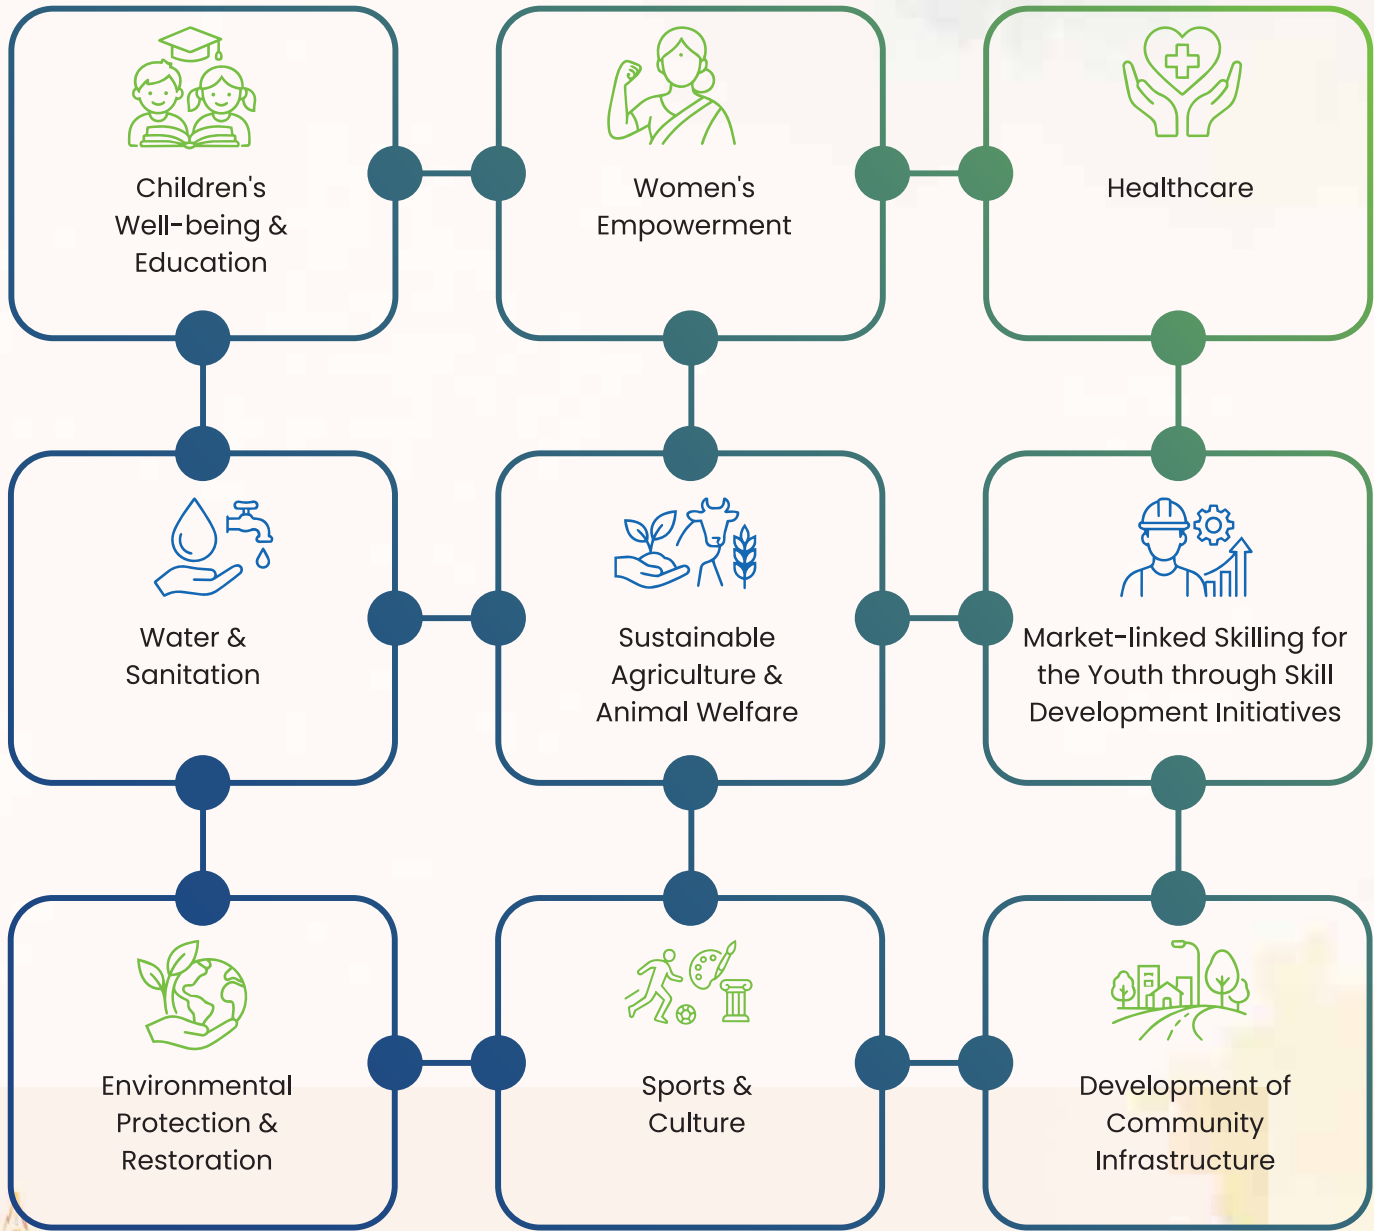

The framework guides the planning, implementation, monitoring and reporting of CSR initiatives across our business units and ensures alignment with the Group's CSR principles and governance standards.

Thematic Focus Areas & SDG Alignment

Our programs focus on poverty alleviation, especially integrated development, which impacts the overall socio-economic growth and empowerment of people, in line with baseline and need assessment, the national and international development agendas.

The major thrust areas are:

Thematic Focus Area	Relevant SDG(s)
Children's Well-being & Education	 SDG 4: Quality Education SDG 1: No Poverty
Women's Empowerment	 SDG 5: Gender Equality SDG 8: Decent Work & Economic Growth
Health Care	 SDG 3: Good Health & Well-being
Water & Sanitation	 SDG 6: Clean Water & Sanitation
Sustainable Agriculture & Animal Welfare	 SDG 2: Zero Hunger SDG 12: Responsible Consumption & Production SDG 15: Life on Land
Market-linked Skilling & Youth Development	 SDG 4: Quality Education SDG 8: Decent Work & Economic Growth
Environmental Protection & Restoration	 SDG 13: Climate Action SDG 15: Life on Land SDG 14: Life Below Water (where applicable)
Sports & Culture	 SDG 3: Good Health & Well-being SDG 11: Sustainable Cities & Communities
Community Infrastructure Development	 SDG 9: Industry, Innovation & Infrastructure SDG 11: Sustainable Cities & Communities

Aim 3:	Uplifting women & children through education, nutrition, healthcare	➤ 1.49L (cumulative since inception)

From the CEO's Desk

Dear Stakeholders,

India's growth story is being shaped by its ability to secure reliable and affordable energy while advancing inclusive and sustainable development. At Vedanta Power, we recognise that powering this journey comes with a responsibility that extends beyond generating electricity. It is about creating lasting value for our people, strengthening the communities around our operations, and stewarding the resources we depend on.

Our CSR philosophy stems from the powerful belief of our Vedanta Group Chairman, Mr. Anil Agarwal that we have a responsibility to give back to the society. We keep communities at the heart of every decision, initiative, and action we undertake.

I am pleased to share our Corporate Social Responsibility Report for FY 2025–26, which reflects the progress we have made together in translating this responsibility into action and impact.

Last year has been a year of purposeful progress for Vedanta Power. Our teams across our operations at Talwandi Sabo Thermal Plant in Mansa, Sakti Thermal Power Plant in Chhattisgarh and Meenakshi Energy Limited in Nellore have continued to contribute to India's development through reliable power generation, responsible operations, and focused, meaningful engagements with the communities around us.

Our CSR initiatives remained focused on areas that are fundamental to inclusive development of the communities through education, healthcare, sustainable livelihoods, women empowerment, community development, and access to wider opportunities. Through these efforts, we positively impacted nearly 87,000 beneficiaries during the year. More importantly, our programs were designed not only to address immediate needs but also to build capabilities, strengthen resilience, and create sustainable pathways for growth and prosperity. We place greater emphasis on outcomes and impact, shifting from interventions to measurable outcomes.

At Vedanta Power, we believe that meaningful community development is built on partnership, participation, and empowerment. By working closely with local communities, government institutions, implementation partners, and other stakeholders, we continue to create solutions that address local aspirations while generating long-term social value.

What makes me especially proud is the role our people play in this journey. Across our locations, employees have consistently demonstrated a strong sense of purpose and commitment that goes beyond their professional responsibilities. Whether through employee volunteering, community engagement, or simply championing Vedanta values in everyday actions, they have helped strengthen our impact and bring purpose to our lives. This report stands as a testament to what we can achieve when we come together to make a difference.

As we embark on the next phase of our journey as Vedanta Power Limited, with an ambition to become one of India's top three power companies, we will continue to grow with purpose. As India's demand for power grows, so will our responsibility. We will remain focused on delivering reliable and affordable power while investing in people, strengthening communities, and advancing sustainable development.

I would like to express my sincere appreciation to our CSR teams, employees, NGO and implementation partners, government stakeholders and community leaders for their dedication and collaboration. Most importantly, I thank the communities we serve for their trust and partnership. Their aspirations, resilience and determination inspire us to do more.

Together, we are not only powering India. We are empowering people, transforming communities, and creating a more sustainable tomorrow.

Best Wishes,

Rajinder Singh Ahuja
CEO and Whole-Time Director
Vedanta Power Limited

From the Sector CSR Head's Desk

At Vedanta Power, we believe that real progress begins when people have the opportunity to shape a better future for themselves and their communities. Our CSR journey is therefore not just about creating impact—it is about enabling people to become more confident, capable and self-reliant.

During FY'26, our initiatives reached nearly 86.9K community members across geographies, creating meaningful outcomes across education, healthcare, skill development, women empowerment, livelihoods, water security, sanitation and community infrastructure.

Through AIM 2, 3.6K individuals gained skills and strengthened their pathways to employment and livelihoods. Under AIM 3, our interventions touched the lives of 1.49 lakh women and children, helping improve well-being, resilience and access to opportunities. Adding to this collective effort, our employees contributed 500+ volunteer hours, bringing the spirit of care, collaboration and shared responsibility to life.

Behind every number in this report is a person, a family and a story of change. These achievements are the result of the trust of our communities, and the dedication of our employees and teams. Together, we are turning aspirations into action and action into lasting impact.

As we look ahead, our focus remains clear—to create inclusive, sustainable and high-impact solutions that enable communities to thrive, build resilience and take charge of their own futures.

Together, we are not just creating change. We are creating possibilities.

Best Wishes,

Krittika Bhatt
Sector Head, CSR &
Social Performance
Vedanta Power Limited

TALWANDI SABO THERMAL PLANT

Project Navi Disha

Talwandi Sabo Thermal Plant's flagship sustainable agriculture initiative, spanning 26 villages, driving climate-smart farming and stronger rural livelihoods.

- One of Vedanta Power's most impactful environmental initiatives, the Paddy Straw Management Campaign in Mansa addressed the critical challenge of stubble burning through awareness, community engagement, and technology-driven solutions. The campaign reached **3,795 farmers** across **28,183 acres**, including **2,067 farmers (54.4%)** and **19,040 acres (67.5%)** within the core area. Through awareness camps, farmer interactions, school rallies, street plays, machinery support, and village outreach activities, the initiative promoted sustainable residue management practices, contributing to improved air quality, enhanced soil health, and a greener future for farming communities
- **700+ farmers** supported with sustainable agricultural inputs
- **1,200+ farmers** trained on improved farming practices, organic cultivation, allied livelihoods
- Animal health camps – **257 households, 1,150+ livestock** benefitted
- Paddy straw management campaign – **3,795 farmers, 28,183 acres**
- Farmer-led agri enterprises – **100+ farmers, ₹3 lakh+ collective revenue**

Project Sehat

Strengthening rural healthcare (Primary Health Centres, diagnostics and outreach), reaching 12,293 lives.

- Dental care to **838 patients**
- **51 health camps** – **5,990+ individuals**
- **13 eye screening camps** – **1,707 patients**
- Health awareness sessions – **~1,070 people**
- Nikshay Mitra Yojana: **6 months' nutritional support to 50 TB patients** – **86% TB-free recovery rate**

Project Gram Nirman

Transforming rural Mansa's infrastructure for 51,825 people.

- 200+ solar streetlights in the vicinity
- 300+ concrete benches in the vicinity
- Renovated Talwandi Aklia Community Hall
- New Bus Stand-cum-Park

- Community rest shed, Raipur crematorium
- Pond rejuvenation – Raipur, Reond Kalan
- RO plant for safe drinking water, Raipur
- School pathway and new entry gate

Children Wellbeing Initiative

On the occasion of Children's Day, TSTP spread joy among 900 school-going children by distributing school bags and geometry boxes across government schools of 4 villages. The initiative aimed to support students with essential learning materials, encourage regular school attendance, and motivate them to pursue their education with confidence and enthusiasm. Through this effort, TSPL reaffirmed its commitment to empowering young minds and fostering a brighter future for the community.

Digital Literacy Initiative

Bridging the rural-urban digital divide through the Talwandi Sabo Thermal Plant-supported Computer Literacy Centre, Village Raipur.

58 students completed a 6-month Diploma in Computer Applications, building digital skills for greater employability.

Flood Relief Support

Standing with flood-affected communities across Punjab.

161 curated food ration kits distributed, benefiting nearly 3,000 individuals.

Project Tara

Empowered 2,000+ rural SHG women with skill training and livelihood opportunities through circular economy initiatives and market linkages, alongside the establishment of three Micro Enterprise Centres.

Volunteers' Reflections

Participating in the Mega Health Camp organized by Vedanta Power Talwandi Sabo Thermal Plant was a truly enriching experience. It was inspiring to witness hundreds of community members accessing quality healthcare services, consultations, diagnostics, and health awareness support under one roof. The camp reflected Vedanta Power Talwandi Sabo Thermal Plant's commitment to improve access to essential healthcare services in nearby villages.

-Shyam Chaudhari
CCO, Vedanta Power Talwandi Sabo Thermal Plant

Participating in the Children's Day celebration was a truly memorable and rewarding experience. Spending time with the children, interacting with them, and being part of an initiative that brought smiles to so many young faces was deeply fulfilling. The enthusiasm and excitement among the children reminded us of the importance of nurturing their dreams and aspirations. Vedanta Power Talwandi Sabo Thermal Plant not only supports education and child development but also strengthens connections with the community.

-Rahul Gupta
Dy. CFO, Vedanta Power Talwandi Sabo Thermal Plant

SAKTI THERMAL PLANT

Project Aarogya

Preventive healthcare initiatives across project villages.

- World Blood Donor Day (14 June) drive inaugurated by Devendra Kumar Patel, COO, Sakti Thermal Plant; commended by the Chief Medical Officer
- General health camps in Singhitarai, Odeker, Nimohi – free consultations and medicines benefitting over **700+ community** members
- Bringing nourishment, care, and hope to **50 TB patients** providing nutritional food baskets at District Hospital, Sakti under the Nikshay Mitra Initiative. The support aimed to strengthen recovery through essential nutrition while reassuring patients and their families that they are not alone in their journey toward better health and well-being

Project Vidya

Learning, sustainability and community engagement across Sakti Thermal Plant's project schools.

- Observing Topical Days: approx. **300 students** engaged
- Environment quiz, Seva Parv: **500 cloth bags** distributed
- Academic support to **400+ children** (school supplies)
- Career guidance, Singhitarai School: **39 students**

Water & Sanitation

Reliable water access under the Jal Pradhay Karyakram.

15,000 litres/day supplied to 300 households, three times daily at Nimohi Panchayat. Supported Singhitarai Panchayat, Mandi and Odekera Panchayat with overhead tanks benefitting over 1500+ community members.

Project Gram Nirman

Public safety and infrastructure across Singhitarai, Odekera and Nimohi gram panchayats.

200 streetlights installed - improved nighttime visibility and security (benefitting approx. 7000+ community members).

Volunteers' Reflections

I was delighted to conduct the career guidance session and was encouraged by the students' active participation and keen interest in learning, emphasizing on the importance of employee volunteerism in such initiatives across diverse areas, to empower school children, and support their aspirations for a better future.

-Akarsh Savant
Lead HRBP, Vedanta Power Sakti Thermal Plant

I was delighted to volunteer during Seva Parv, where cloth bags were distributed to community residents, promoting sustainable practices and environmental awareness. The initiative reinforced the importance of employee volunteerism in creating meaningful social impact, encouraging responsible choices, strengthening community engagement, and contributing towards a greener and better future.

-Pritish Dash
Environment & Sustainability, Vedanta Power Sakti Thermal Plant

MEENAKSHI ENERGY LIMITED

Impacted Lives:

4.7k+

Project Vidya

Improving educational outcomes and child well-being across Meenakshi Energy Limited's project schools.

- "Beat the Heat" campaign - Supported with **527 caps**
- Topical days Observed (Children's Day, Tiger Day, National Science Day etc.) - **160 students benefitted**
- Supported over **510 students** with sports kits, stationery kits, study materials, STEM kits

Project Aarogya

Preventive healthcare across project villages.

- Menstrual hygiene awareness, Gummalidibba - **40 women** and adolescent girls; cervical cancer and reproductive health awareness
- Blood donation drives with employees, business partners, Red Cross Society - **223 units collected**
- Observed Handwashing Day at MPPS Varagalli to promote healthy hygiene practices among school children. The awareness session educated students on proper handwashing techniques and the importance of hand hygiene in preventing infections and maintaining overall health, supporting them with handwash kits benefitting **100% MPPS Varagalli students and teachers**

Project Gram Nirman

Infrastructure and safety across Meenakshi Energy Limited's project panchayats.

- Installed **35 solar streetlights**, benefitting over **2,000 community members**
- Schools supported with water dispensers, inverters, speakers, and storage cabinets impacting **330+ students**
- Planting the seeds of a greener tomorrow, students and teachers of Thamminapatnam Harijanawada School came together for a tree plantation drive, nurturing environmental responsibility and inspiring young minds to become stewards of nature. The initiative symbolizes a shared commitment to creating a healthier, greener, and more sustainable future for generations to come
- Recognising animals as an integral part of rural life, **31 reflective** collars were fitted on livestock and canine companions of the community to improve roadside visibility. The initiative contributes to safer roads, protects vulnerable animal lives, and promotes a culture of care, responsibility, and coexistence

Women Empowerment

Skill development, entrepreneurship and safety awareness for women.

- SHGs and FPCs facilitated market linkage opportunities through dedicated handcrafted product display and sales kiosks in corporates, generating sales exceeding **₹20,000**
- Baking and bakery training for self-employment, safety awareness sessions and menstrual health awareness sessions benefitting over **150+ women** community members

Disaster Relief

Responding to cyclone-affected communities.

Meal support for cyclone affected **850 community members**.

Volunteers' Reflections

Volunteering through MEL's CSR initiatives gave me an opportunity to directly contribute to community development. Participating in activities such as the school cap distribution drive and the "Powered by Kindness" program allowed me to support children and local communities in a meaningful way. These experiences reinforced the value of giving back and creating a positive impact beyond the workplace.

-Gautham Jha
Sr. System Engineer,
Vedanta Power Meenakshi Energy Limited

My involvement in MEL's CSR activities provided me with valuable exposure to the needs of local communities. Interacting with students and community members helped me better understand the importance of social responsibility and collective action. It was a rewarding experience that strengthened my connection with the community and inspired me to contribute more actively to such initiatives

-Anuhya V
Team Member, Power Sales,
Vedanta Power Meenakshi Energy Limited

Awards and Recognition

Talwandi Sabo Thermal Plant

Project TARA (Women Empowerment)

Winner, 16th India CSR Awards, excellence in women empowerment

Project Sehat

Excellence CSR Plant of the Year (Healthcare)

Council of Enviro Excellence, for services across 12+ villages

Voices from the Community

My father was a farmer. From the very beginning, I loved going to the field and helping my father. The soil was my home and soon I became an expert in farming. It was a delight to ride and use a tractor. These skills came in handy when I got married and my husband started facing a financial crisis. I decided to do farming on the 3 acres of land we had to support the family while my husband took up part-time jobs. My sons grew up learning the skills from me and today help me in the field. We grow paddy and cotton. The love for farming has enriched my life and made sure my family never goes hungry. It has helped in the education of my children and given us a respectable life. I feel that women should take up farming as they are natural growers and nurturers. Moreover, the experience to grow your food is unparalleled and most satisfying.

वेदांता पावर के स्वास्थ्य शिविर से 340 मरीजों का चेकअप

तत्तत्वंदी साबो पावर लिमिटेड (टीएसपीएल) ने मानस के
हेल्थ प्लस
 गाँव रायपुर में अपनी फ्लैगशिप स्वास्थ्य
 परियोजना 'सहेत' के तहत मेगा स्वास्थ्य
 शिविर आयोजित किया, जिसमें लगभग 340 लोग
 लाभान्वित हुए। जनरल फिजियोलॉजी, स्त्री रोग विशेषज्ञ,
 त्वचा रोग विशेषज्ञ, हृदय तथा चिकित्सक ने पैर में डंकल
 स्ट्रोक के साथ अपनी सेवाएं दीं। शिविर में पंचकूट नार्मल
 के रक्तचाप, होमोमोलोबिन, मधुमेह, मस्तीरिया, डेंगू, रक्त
 समूह आदि की जांच की गई। लोगों को निम्नत्व स्वास्थ्य
 परामर्श और दवायां भी दी गईं।
 स्वास्थ्य शिविर का उद्घाटन रायपुर के सरपंच सुखराज
 सिंह ने किया। स्वास्थ्य विभाग के अधिकारी निरीक्षक निर्मल
 सिंह, स्वास्थ्य कार्यकर्ता अजयवत सिंह तथा आशा वर्कर
 किरण पाल कौर ने शिविर में योगदान दिया। इस मौके
 टीएसपीएल के मुख्य कार्यकारी अधिकारी पंकज शर्मा ने
 कहा संवत् परियोजना का संचालन करने के इस विश्वास

का परिचायक है कि उत्कृष्ट सेहत से ही मजबूत समाज का निर्माण किया जा सकता है। टीएसपीएल की ओर से समय-समय पर आयोजित स्वास्थ्य शिविरों के जरिए स्वास्थ्य के प्रति नागरिकों की जागरूक बनाने में महत्वपूर्ण भूमिका निभा रहा है। इससे पूर्व टीएसपीएल की ओर से कम्नाल और बेहनीवाल गांवों में आयोजित स्वास्थ्य शिविरों, डोंगर गांव में आयोजित नेत्र शिविर तथा बेहनीवाल में आयोजित शिशु शिविरों से कुल 390 नागरिकों को लाभ मिला।

टी.एस.पी.एल. मानसा के 50 टी.बी. मरीजों के लिए बना निक्षय मित्र
